

LANE RESTRICTIONS
Dundas Street Construction
Between Garden Street and Anderson Street
Town of Whitby

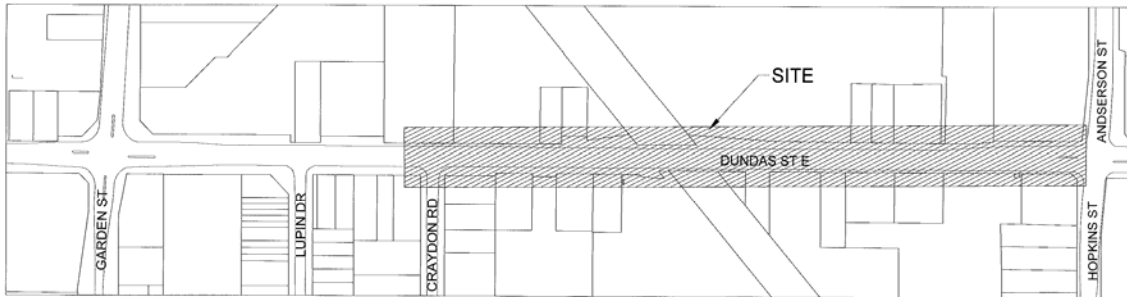

TOWN OF WHITBY

PUBLIC WORKS DEPARTMENT

PUBLIC NOTICE

Please be informed that Dundas Street between Garden Street and Anderson Street will be reduced to two (2) lanes of traffic to facilitate the construction of storm sewers and pavement rehabilitation.

WHERE:	Dundas Street between Garden Street and Anderson Street (see map below)
WHEN:	July 5 th to September 24 th
WHY:	To ensure that the construction of storm sewers and pavement rehabilitation on Dundas Street is completed in a safe and efficient manner.

Within the project limits, the existing four (4) traffic lanes on Dundas Street will be reduced to two (2) lanes to provide the required work space for safe and efficient construction activities. Temporary traffic signs and pavement markings will be installed on site to direct motorists accordingly.

During construction, access for local residents, local businesses and emergency vehicles will be maintained at all times, but delays should be expected.

The Town realizes that the road closure will be disruptive to you, and we sincerely appreciate your patience and understanding in this regard.

For more information on this closure, contact Mr. Ed Reischke, Construction Supervisor at (905) 430-4307 ext. 2255.
