

THE CORPORATION OF THE TOWN OF WHITBY

NOTICE OF COUNCIL IN COMMITTEE OF THE WHOLE AND INVITATION FOR PUBLIC COMMENT

Transportation Master Plan Draft of the Final Transportation Master Plan Report

The Corporation of the Town of Whitby has retained Dillon Consulting Ltd. to complete a Transportation Master Plan (TMP) for the Town. The purpose of undertaking the TMP is to identify, at a strategic level, an integrated and diversified transportation framework to support long term growth (2031 and beyond) that provides for the efficient movement of people and goods to areas within and to/from the Town. The scope of the TMP is primarily focused on the arterial and major collector transportation system within the Town's boundary, with the alternatives comprising of:

- (i) maximizing the existing mobility system;
- (ii) establishing and encouraging non-auto modes of travel;
- (iii) identifying road widenings, missing linkages and corridor protections; and
- (iv) considering land use strategies.

The purpose of this meeting is to present Council with a Draft of the Final Transportation Master Plan Report.

Special Meeting of Council

Date: Thursday, April 29, 2010
Time: Meeting starts at 7:00 p.m.
Location: Council Chambers, Whitby Municipal Building,
575 Rossland Road East, Whitby

Following the Special Meeting of Council, which will be conducted in the Committee of the Whole format, the document will be available for public review and comment until May 21, 2010. Further details on the Transportation Master Plan are available on the Town of Whitby's website at www.whitby.ca.

Once public input and agency comments have been received and assessed, a Final Recommended Transportation Master Plan Report will be brought forward for Council's consideration, at a Special Meeting of Council in Committee of the Whole format, in June 2010. The Master Plan has been undertaken in accordance with the procedures as prescribed in the Municipal Class Environmental Assessment document.
